

Where students are learning English

Here's a look at the breakdown of limited English proficiency students — this includes both U.S.-born and immigrant students — in Texas public schools for the 2006-07 academic year. The map at left shows the percentage of LEP students by regions used by the Texas Education Agency. The map at right shows the percentage of LEP students by school district in the Dallas-Fort Worth area.

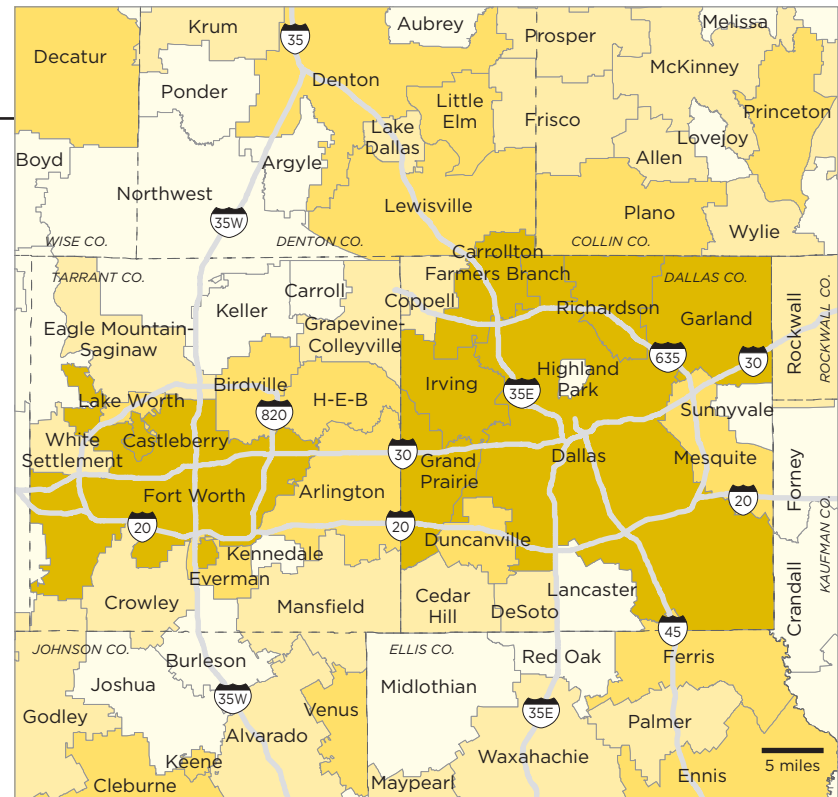

By region in 2006-07

5% or less 5.1% to 10% 10.1% to 20% More than 20%

By D-FW area school districts in 2006-07

5% or less 5.1% to 10% 10.1% to 20% More than 20%

Area district statistics

A look at the Dallas-Fort Worth area school districts with the highest percentage of limited English proficiency students:

District	Enrollment	Percentage of district's students who are LEP	Of the LEP students, the percentage who speak Spanish	Foreign languages spoken by students in the district
Arlington	62,830	20%	80%	67
